GMT birdfinding in british columbia pdf - By providing links to other sites, WorldTwitch does not guarantee, approve or endorse the information or products available at these sites, nor does a link indicate any association with or endorsement by the linked site to WorldTwitch. **WORLDTWITCH Links - Birds, Birding, Environment, Travel - The common nighthawk (Chordeiles minor) is a medium-sized crepuscular or nocturnal bird within the nightjar family, whose presence and identity are best revealed by its vocalization. Typically dark (grey, black and brown), displaying cryptic colouration and intricate patterns, this bird is difficult to spot with the naked eye during the day. Once aerial, with its buoyant but erratic flight ... Common nighthawk - Wikipedia -**
